**OKLAHOMA**  
 FRESHMAN SCHOLARSHIPS [for students entering Fall 2010]

OU offers a wide variety of scholarship opportunities for admitted incoming freshmen based on criteria such as academics, leadership potential, community involvement, intended major, extracurricular interests, etc. The list below represents university centralized scholarship programs and is not intended to be all inclusive. For the comprehensive list of freshman scholarships for which you will be considered if you apply, please visit [scholarships.ou.edu](http://scholarships.ou.edu). In some cases additional requirements (essays, interviews, auditions, portfolios, etc.) may be necessary. OU's freshman admission/scholarship application makes it convenient to apply for all general OU scholarships available to you. Please visit [go2.ou.edu](http://go2.ou.edu) and click on "Apply Online" to complete the admission/scholarship application. To be considered for scholarships, submit your admission/scholarship application by **Feb. 1, 2010**. Please note that some scholarships may have earlier deadlines and some scholarship selection committees may begin awarding scholarships earlier. You are encouraged to apply for admission/scholarships early during your senior year of high school. Applicants are encouraged to retake the ACT and/or SAT tests through April 30, 2010. A student's scores on the national or residual tests taken before April 30, 2010, will be used for scholarship consideration (except to qualify for the Oklahoma Academic Scholars Program which allows students to take national exams through June 2010).
