In consideration of the District's review of my application for District Employment, I agree that:

1. Covington-Douglas Public Schools may contact my previous employers and ask them questions about my prior work experience, such questions being more in depth than the basic information of previous work experience listed on the application form.
2. I specifically consent to the release of information by my prior employers to Covington-Douglas Schools and forever release such employers, their governing boards, and employees from any and all claims and causes of action of whatever nature which I could assert against them for communicating with Covington-Douglas Schools about my work experience. I understand that this consent includes a covenant not to sue these prior employers for defamation, regardless of what said employer may inform Covington-Douglas Schools regarding my previous employment.
3. I agree that a copy of this signed Consent and Release may be sent to my previous employer.
4. I understand that the application will remain active for one year after its completion and that I must notify the District if I wish to be considered beyond that point.
5. The applicant understands the Covington-Douglas Board of Education requires a felony search for those recommended for employment and hereby releases applicant's felony record search results to Covington-Douglas Public Schools. Applicant also releases Covington-Douglas Public Schools of any and all liability relating to its request for, receipt and use of the results of the search.
6. I agree to take a pre-employment evaluation, which includes a drug test.
