

STUDENT DISCIPLINE THREATENING BEHAVIOR
(Bullying)

Threatening behavior is defined as an activity, which portrays that another person, persons, or property may or will be harmed or killed. As used in the School Bullying Prevention Act, “harassment, intimidation, and bullying” means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student’s property, place another student in reasonable fear of harm to the student’s person or damage to the student’s property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school’s educational mission or the education of any student. Harassment, intimidation, and bullying include, but are not limited to, a gesture or written, verbal, or physical act. Such behavior is specifically prohibited by board policy.

Any student exhibiting threatening behavior either verbally, in written form, or by gesture toward another student or school personnel or others while under school supervision shall be subject to the following:

1. The student will be referred immediately to a site administrator or his/her designee for intervention.
2. The administrator will gather and evaluate incident information and either (a) document the incident and place the student on a five-day probationary period, or (b) implement the following intervention procedure:
 - A. The student will be subject to an immediate suspension from school for a minimum of three days.
 - B. The student’s parent(s)/guardian will be notified.
 - C. The Police shall be notified.
 - D. A mandatory conference will be held with the parent(s)/guardian, student, school officials, and others as deemed necessary. (“Other” may include, but not be limited to, the following: police, Multi-County Youth Services, Office of Juvenile Affairs, Department of Human Services, and Child Welfare.) The conference shall take place as soon as possible.
 - E. The student must attend mandatory counseling with an appropriate counseling agency as determined by the school. The counseling agency will make recommendations to the school concerning the student’s re-entry to school.
 - F. A conference shall be held with the site school counselor, and administrator, and the student prior to the student’s re-entry to school. If it is determined that the student may not return to school, further counseling and/or alternative placement will be implemented. The student will be re-evaluated at a later date as determined by the school.

Any student who has been previously disciplined for threatening behavior is subject to alternative placement or suspension if the offense is repeated. The alternative placement or suspension shall not exceed the remainder of the current semester and the succeeding semester.

A site administrator shall file a report on any student disciplined under this policy and send the report to the superintendent.

HARASSMENT

It is the policy of this school district that threatening behavior, harassment, intimidation, and bullying of students by other students, personnel, or the public will not be tolerated. This policy is in effect while the students are on school grounds, in school transportation, or attending school- sponsored activities, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the school district.

Harassment is intimidation by threats of or actual physical violence; the creation by whatever means of a climate of hostility or intimidation; or use of the language, conduct, or symbols in such a manner as to be commonly understood to convey hatred, contempt, or prejudice or to have the effect of insulting or stigmatizing an individual. Harassment includes but is not limited to harassment on the basis of race, sex, creed, color, national origin, religion, marital status, or disability.

As used in the School Bullying Prevention Act, “harassment, intimidation, and bullying” means any gesture, written or verbal expression, electronic communication, or physical act that a reasonable person should know will harm another student, damage another student’s property, place another student in reasonable fear or harm to the student’s person or damage to the student’s property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school’s educational mission or the education of any student. Harassment, intimidation, and bullying include, but are not limited to, gestures or written, verbal, or physical acts, or electronic communications. Such behavior is specifically prohibited.

Harassment set forth above may include, but is not limited to, the following:

1. Verbal, physical, or written harassment or abuse;
2. Repeated remarks of a demeaning nature;
3. Implied or explicit threats concerning one’s grades, achievements, etc.;
4. Demeaning jokes, stories, or activities directed at the student;
5. Unwelcome physical contact.

The superintendent shall develop procedures providing for:

1. Prompt investigation of allegations of harassment;
2. The expeditious correction of the conditions causing such harassment;
3. Establishment of adequate measures to provide confidentiality in the complaint process;
4. Initiation of appropriate corrective actions;
5. Identification and enactment of methods to prevent reoccurrence of harassment; and
6. A process where the provisions of this policy are disseminated in writing annually to all staff and students.

A copy of this policy will be furnished to each student and teacher in this school district.
