ODYSSEY WARE CLASSES
2015 - 2016

Parents and Students -

OdysseyWare classes are courses that are conducted completely online. Students will have 1 hour per day that they will have access to a computer at school, but it is also beneficial to have a computer with internet access at home. Students may contact me in person or through the online messaging system with any questions regarding their course material, course completion, or technical difficulties.

- I understand OdysseyWare is a self-paced course. I can work at my own pace, but must reach the following benchmarks throughout the year or my grade will be negatively affected:
    - 25% course completion by October 14, 2015
    - 50% course completion by December 18, 2015
    - 75% course completion by March 4, 2015
    - 100% course completion by May 20, 2015

- I understand that this course is just like any other high school course, I must make a passing grade (60% or greater) at each of the above benchmarks in order to receive credit for the class.

- I understand OdysseyWare is a self-motivated class. I must login and work on my assignments every day, without someone telling me to do so.

- I understand that I must check my online messaging feature daily as this is the most efficient way for Mrs. Rink to contact me.

- I understand that it is possible to redo assignments, quizzes, and tests in order to achieve a better grade. I must contact Mrs. Rink if OdysseyWare does not automatically reset the assignment.
